Sexual Violence & the Spectrum of Prevention

Sexual Violence and the Spectrum of Prevention: Towards a Community Solution the newest publication of the National Sexual Violence Resource Center (NSVRC), guides advocates, practitioners and educators toward developing a comprehensive community approach to the primary prevention of sexual violence. Written by the staff of the Prevention Institute, the guide discusses the six levels of intervention within the Spectrum of Prevention tool and offers program examples for each. **Stop**

Greetings!

We want to welcome you as a subscriber to the online edition of Stop It Now! News; part of our effort to provide you with news and resources in a more timely and user-friendly way.

By doing more online we can respond directly to your interests and cost-effectively expand the reach of our message and resources. We can also offer (online and by mail) new types of reports, updates, action guides and fact sheets to specific audiences. With regular website updates, we hope to better serve the needs of adults, families and communities for information and support.

We look forward to receiving your comments, questions, and suggestions.

Active interest in preventing child sexual abuse takes courage. Thank you for your courageous support.

It Now! is featured as an example of an integrated approach to action that uses the 'synergy' possible among various levels of prevention strategy. The guide also identifies conditions that allow sexual violence to occur, and how to foster norms that promote safety, respect and equality.
