

Stop It Now!®

30 years of HOPE

THURSDAY, OCTOBER 19, 2022 • 3 PM ET • VIRTUAL EVENT

Join Stop It Now! in celebrating our 30th anniversary in child sexual abuse prevention. Through a brief presentation, we'll recognize Now!'s milestones and the individuals who created support, safety and compassion for millions along the way. We'll outline our vision for the future of Now! and our commitment to preventing child sexual abuse through perpetration intervention, community engagement and the elimination of shame.

We will honor a champion with our inaugural Founder's Award, recognizing their longstanding commitment to prevention through radical, ground-based intervention.
